This is a trip back into the past of our lives,
memories of the places we've been and things
we've done . . .

The good times, and yet some bad,
but now we can say it was worth it . . .

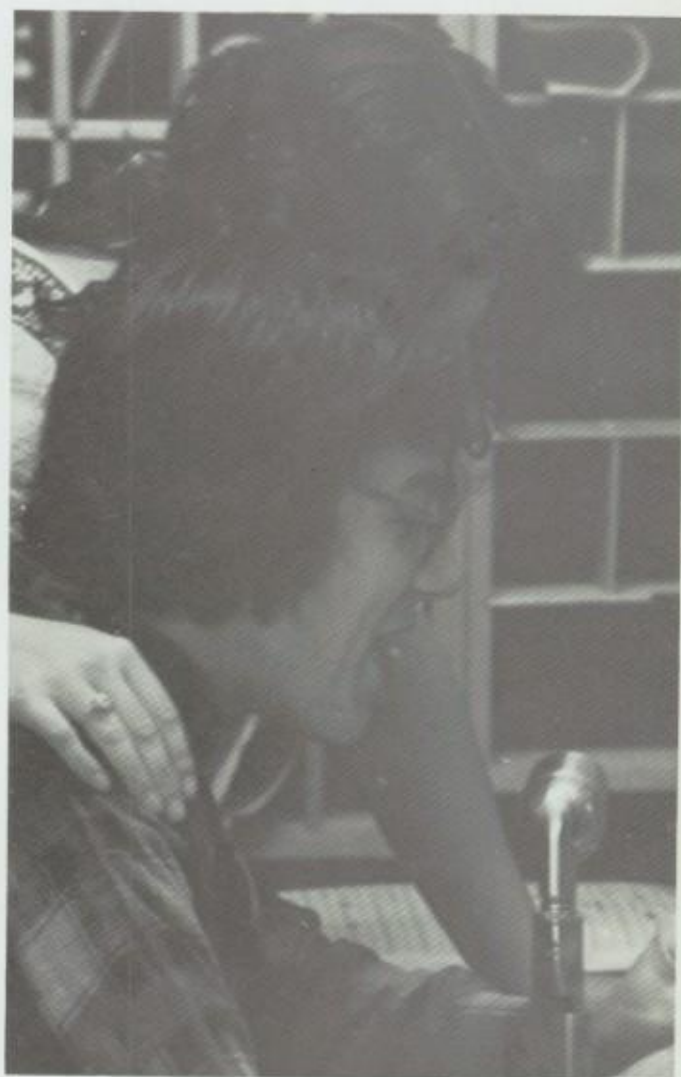

Was it so long ago?
It seems like just yesterday.

Today was here and tomorrow is forever . . .
Friends come and go; such is school.

Whether you're a freshman or senior,
it's hard to say good-bye...

These pictures will tell our stories,
and these words - sing our songs . . .

CLASS OF '77

SENIORS

Class of "77" SENIOR BOARD.

Class motto: Learn from yesterday - live for today - hope for tomorrow.

Class colors: Light Green and Ivory

Class song: Time In A Bottle

Class flower: Rose (yellow)

*I woke up this morning
And the sun was gone
I turned on some music
To start my day
When I get lost
In the middle of a song
I close my eyes and
I slip away*

*[It's] More than a feeling [more than a feeling]
I hear all the songs, babe
More than a feeling
I dig in dreaming [more than a feeling]
Turn out every eye when I walk away*

There's Sib and Marianne walkin' away

*So many people
Have come and gone
Their faces fade as
The years go by
Yet I recall
As I walk along
It's as clear as a song
In my summer sky*

*[It's] More than a feeling [more than a feeling]
I hear every song babe
[It's] more than a feeling
I dig in dreaming [more than a feeling]
Turn out every eye when I walk away*

There's Sib and Marianne walkin' away

*When I'm tired
I'm drinking coke
I hide in my music
Forget the day
And dream of a girl
I used to know
I closed my eyes
And she slipped away
She slipped away
Away*

*[It's] more than a feeling [more than a feeling]
I hear their own song, babe [more than a feeling]
I dig in dreaming [more than a feeling]
Turn out every eye when I walk away
There's Sib and Marianne walkin' away*

The Varsity Football Team ended the season with fair success. It went 3-6-1 for the year, and many of the games were lost by close margins. The Freshman Team, however, provided the big surprise by becoming Nordon's "1st" team to go undefeated! Ed Peltz, coach of the Freshman Team, was justifiably pleased, and Tom Dorman, Varsity Head Coach, felt pride in his team's efforts.

BASKETBALL

In their fourth Metro Season, the Nordonia Knights proved once again that they are strong basketball competition. With their 13-5 record, the Knights entered the sectionals with high hopes and a third place in the Metro Standings.

The Knights advanced quickly by beating Mayfield 44-36, Geneva 53-38, and Solon 72-65. Bob Royer was named All Sectional and All Metro. Along with him, Don King, Jeff Fike, and John Yurkschatt received honorable mentions for All Metro. Coach McLaughlin helped the team throughout the year with his enthusiasm and pride.

The girls' track team has grown from a handful of interested girls into a group of 70. Considering this is only the second year for girls' track, an overwhelming amount of enthusiasm has been shown. With so many girls, the team will be talented indeed. Coaches Fichtner and Fischer are looking forward to a fine season of running and throwing. CHRISTMAS DANCE

The girls had their chance to ask the guys to the Sadie Hawkins Christmas Dance, sponsored as in the past by the Junior Class. Satellite provided the music, frequently moving from one fast song to another without interruption.

Breathless dancers sought a moment's pause at their tables, enjoying the refreshments provided by local merchants and the soft light and charm of the Christmas decorations.

"And how long can we keep this up?"

Bob Wysocki and Beth Ribar enjoy one of the evening's few slow dances.

Sue Bower and her date take a break before another fast dance.

"Not too much longer, I hope."

Members of Satellite pound out one of the many fast tunes of the night.

WINTER OF '76-77

The winter of '76-'77 created some unusual experiences for Nordonia Hills. Around the middle of December, temperatures and heavy snows began to fall. Temperatures plunged way below average. The snow fell daily, dumping as much as two to three feet in some places. Winter underwear and wool blankets were pulled out. The coldest and hardest winter in 75 years had begun.

During January, an unusual occurrence amazed the Nordonia students. The Nordonia Hills School District, which hardly ever closes because of weather, closed for five full days and one half day. School officials talked about closing the school for a month, because of a natural gas shortage, but enough gas was provided to keep school in session throughout the hard winter months until the beginning of spring.

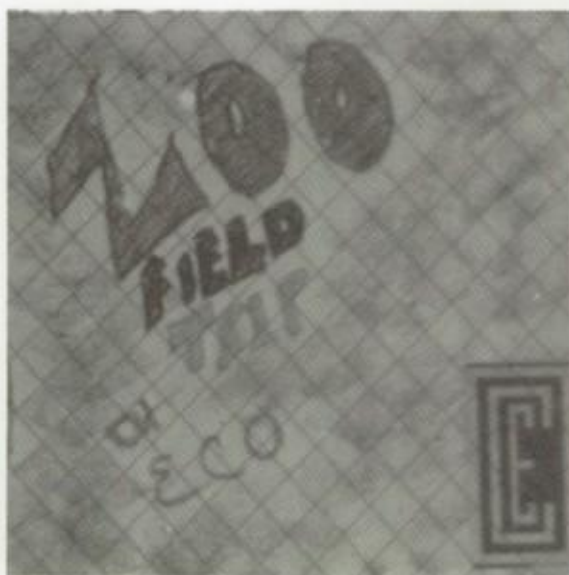

E.C.O. Posters

Preparing for E.C.O. began in September, but the first visible signs were the posters plastered up on the walls in February and March.

The finishing touches of the beginning of E.C.O.

Christian Athletes

A group of Nordonian athletes formed a new organization this year, Christian Athletes. Early every Wednesday morning, the thirty-some members meet together to help each other grow as Christians while enjoying sport activities. Reverend Seawright and Dave Tobic, pitcher for the Detroit Tigers, have also met with the group in an effort to improve Christian growth.

GIRLS' FOOTBALL

On a cold day last fall, the Senior and Junior girls gathered on the football field for their annual football game. The boys, dressed in skirts and long underwear, huddled on the side lines, waiting to cheer their teams to victory. The Kazoo Band, meanwhile, assembled on the track, tuning-up their instruments for their half-time performance. All this preparation benefited the Seniors. They won by a landslide, 22-0.

One of the Juniors' many attempts to try and score.

Members of the weightlifting club look for different results from their strenuous exercise. Some want to keep in shape for sports. Others want to improve their physical appearance. And some simply enjoy developing and testing their strength. All members, however, share in the hard work required for the results they seek.

Janet observes the game closely.

STATISTICIANS

Nordonia's team of statisticians.

Just ask any coach at Nordonia what they would do without their statisticians. They will tell you that there would be no team without them. These girls unselfishly give up their free time to be at every game and to keep scores. Being a stat is a big responsibility. The coach, the team, and the fans depend on the stats being there, not only for score keeping, but to cheer the team on as well.

JUNIOR VARSITY CHEERLEADERS

The Junior Varsity Cheerleaders - Kim, Sue, Sally, Mary, Ann, and Sue - work hard at perfecting their cheers. Voices ring as they demand everything from victory to aggression. The JV cheerleaders really help to provide spirit.

Sally Murphy, Sue Whitelegg, Sue Rogalski, Kim Bratton, Ann Cergol, Mary Roshetko.

A final look at the scoreboard.

"Look Mom - No Hands!"

"Have you got spirit?"

FRESHMAN CHEERLEADERS

Lisa Whitelegg, Steph Russo, Dawn Kopea, Joanne Ehrman.

"That's the Freshman battle cry."

"I'm exhausted after that cheer."

"I think I got my feet crossed?"

Patty-cake, patty-cake.

With many years of cheering to go, the Freshmen cheerleaders are off to a good start. Steph, Lisa, Joanne, and Dawn did a great job cheering Nordinia's freshmen teams to victory while providing spirit for the class of 1980.

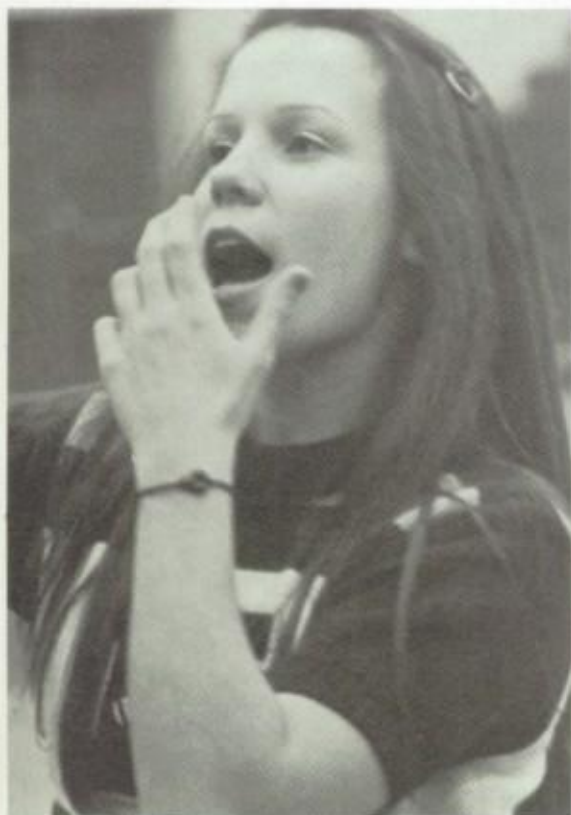

Sue Chesnick, Judy Peck, Adie Kapr, Donna Johnson, Joan Curley, Sue Rudder.

"We're number One."

The Varsity consists of the most experienced cheerleaders. Sue, Judy, Joan, Adrienne, Sue, and Donna bring the student body closer to the Nordonian athletic teams. The spirit reflected in these girls illustrates the pride we all have in Nordonia.

"Oh"

"Varsity Victory"

Listen, they really know how to cheer.

USHERETTES

Plays, sports banquets and concerts are just some of the events you'll see the girls at. The usherettes help to keep things organized by helping to pass out programs and refreshments. The fund-raising project for the girls this year is embroidering a quilt.

The usherettes getting instructions from Mrs. Oviatte on how to make a stitch for their quilt.

Psychic Reader

Extended Curricular Opportunities came to Nordonia High for the second time. Students had the opportunity to learn about such topics as life in prison, the occult, astrology and chinese painting, and to participate in such activities as horseback-riding, backpacking, swimming, golfing and visits to the art museum and Stan Heywet Hall. E.C.O. days provided students and teachers with enjoyable experiences outside the normal curriculum.

ACADEMICS

SOCIAL STUDIES

The social studies department offers us a look back into the past as a means to cope with the future. After completing the history course, we can still look forward to government as well as Marriage and Family, Sociology, and Psychology.

"I wish I was in Dixie."

"How can I be wrong?"

ENGLISH

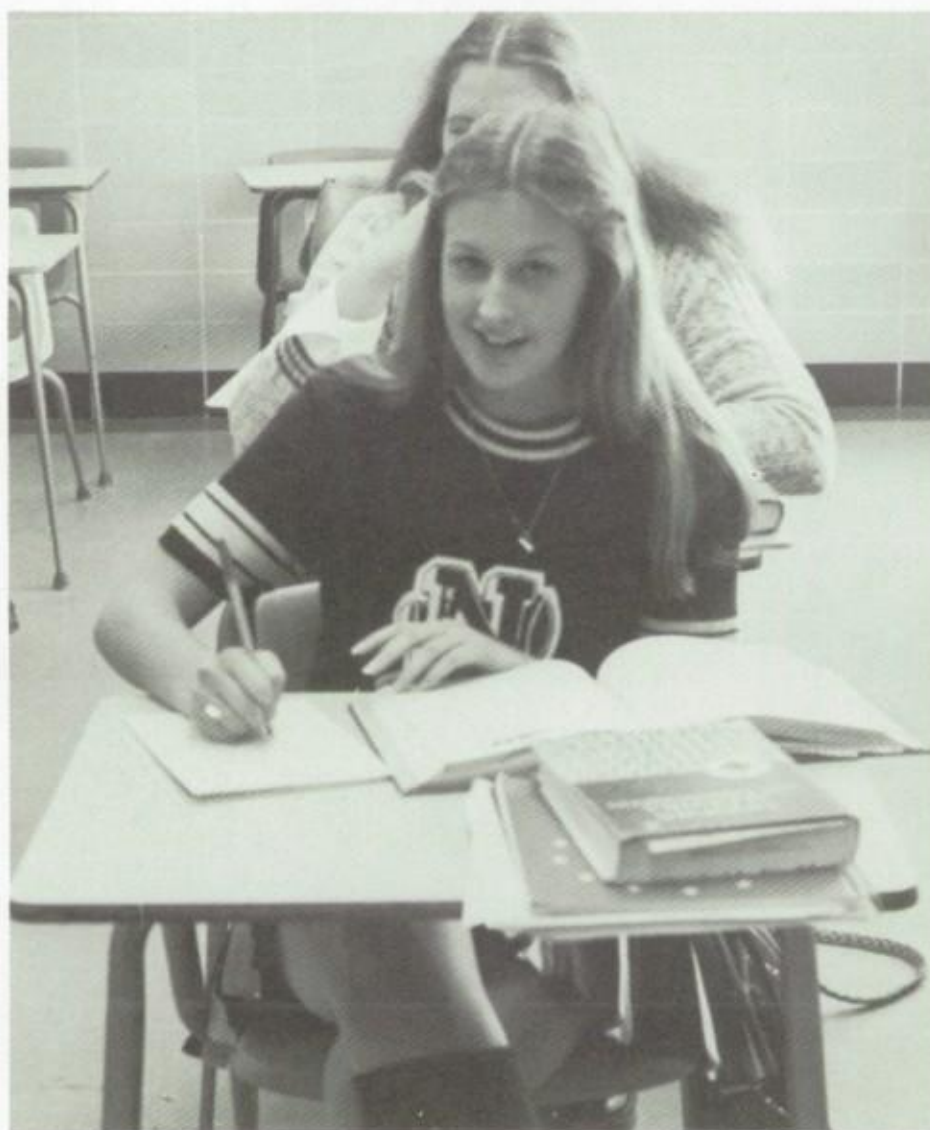

"She thinks I'm going to do my essay."

Ain't it great that we at Nordonia speak English real good? Every course from Speech I to Masterworks provides us with a better understanding of man's best means of communication - language.

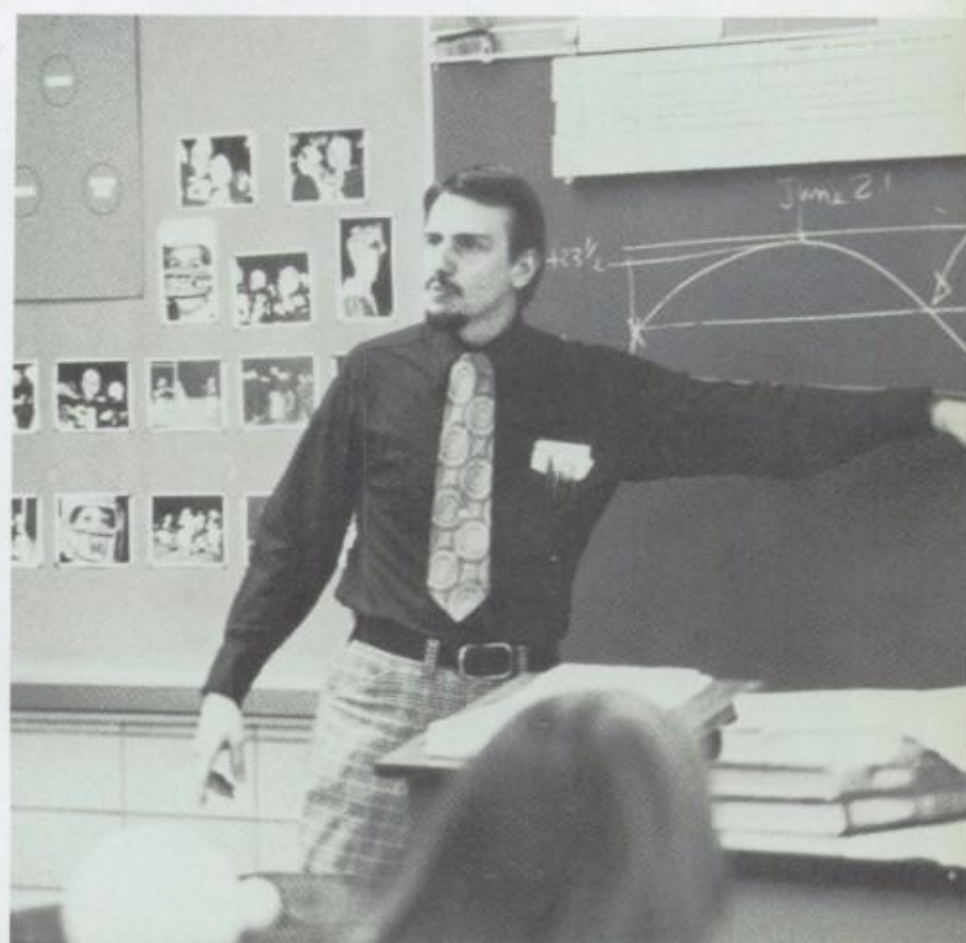

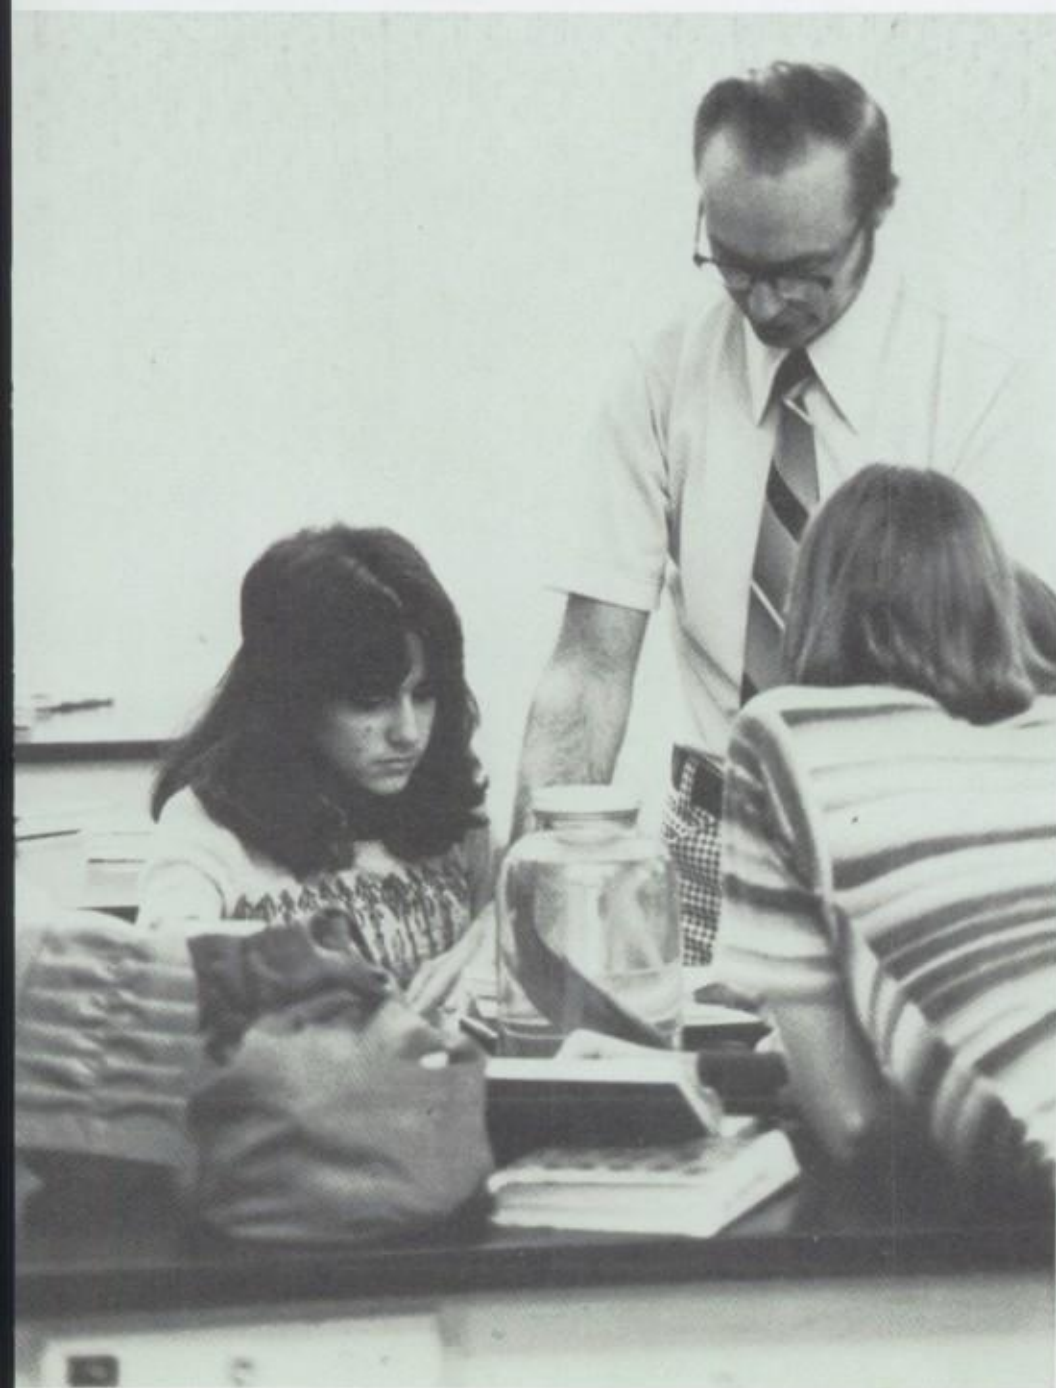

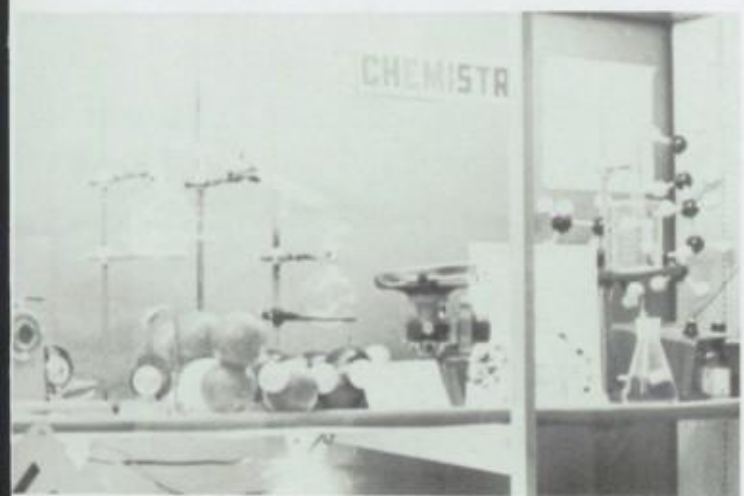

MATH

The various courses offered by the math department keep the eight math teachers and the students at Nordonia busy. Adding and subtracting, multiplying and dividing, students and teachers figure their way through courses in general math, algebra, geometry, trigonometry, pre-calculus, and probability and statistics.

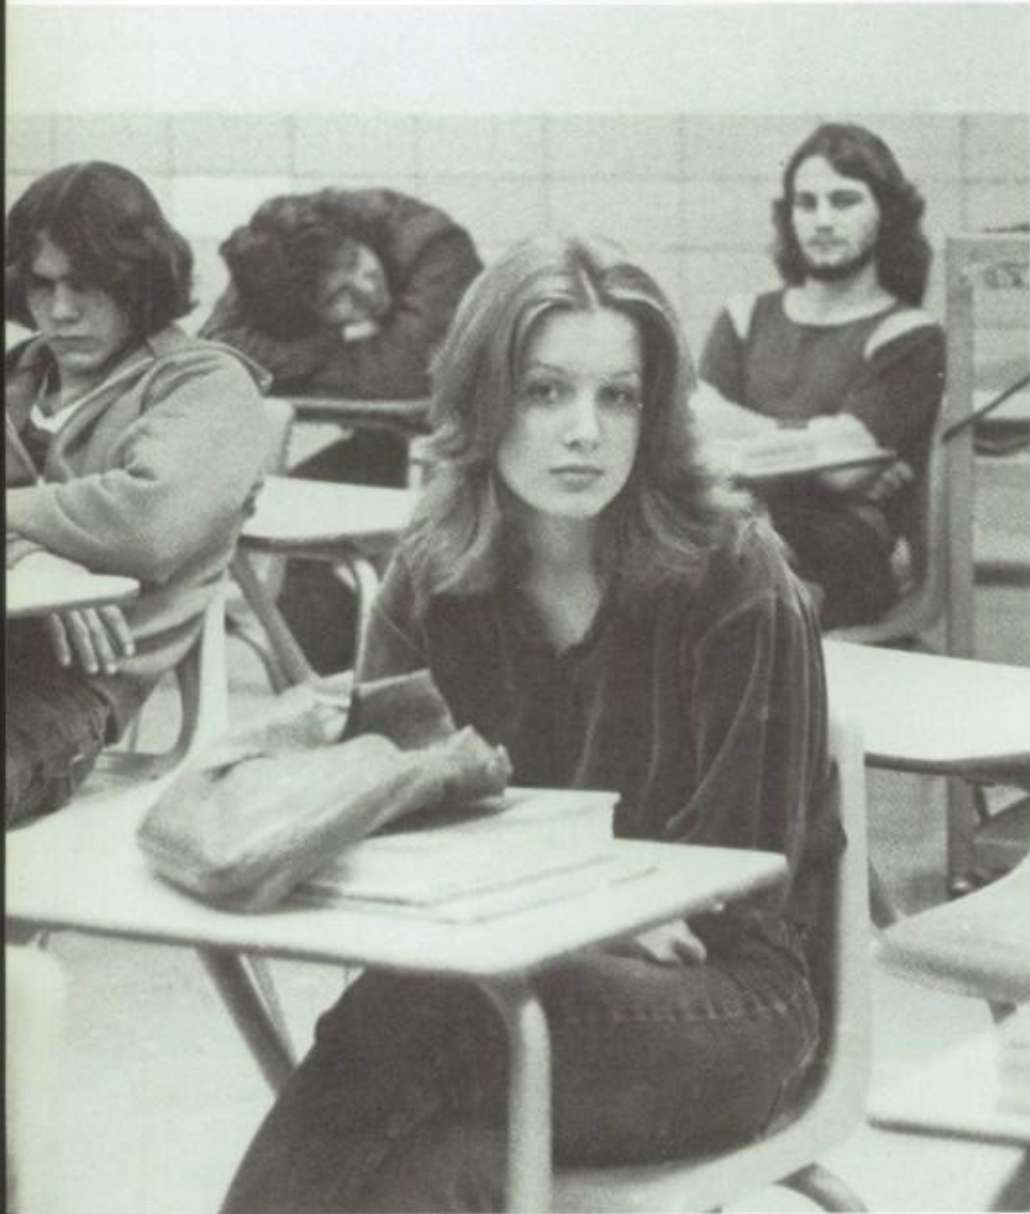

SCIENCE

"Hey, what's that sickening smell... The halls are thick with fumes!" If at times you've wondered what the answer to these questions are, the answer is: a science class is back in lab again!"

Involving eight teachers and over a thousand students, science at Nordonina is not, as it seems to some students, only a subject for the "brains."

BUSINESS

And then I said...

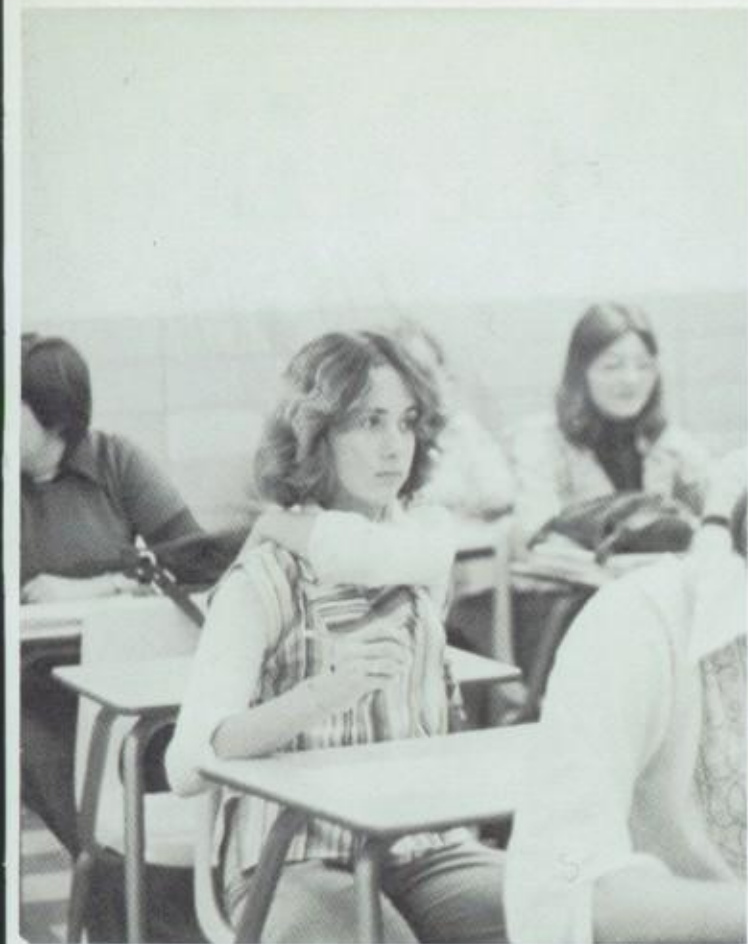

Students enrolled in business classes work hard at learning such skills as accounting and typing. Becoming familiar with those strange forms called shorthand is also a part of this field, a very important part of today's world.

Dear Mrs. Elkin...

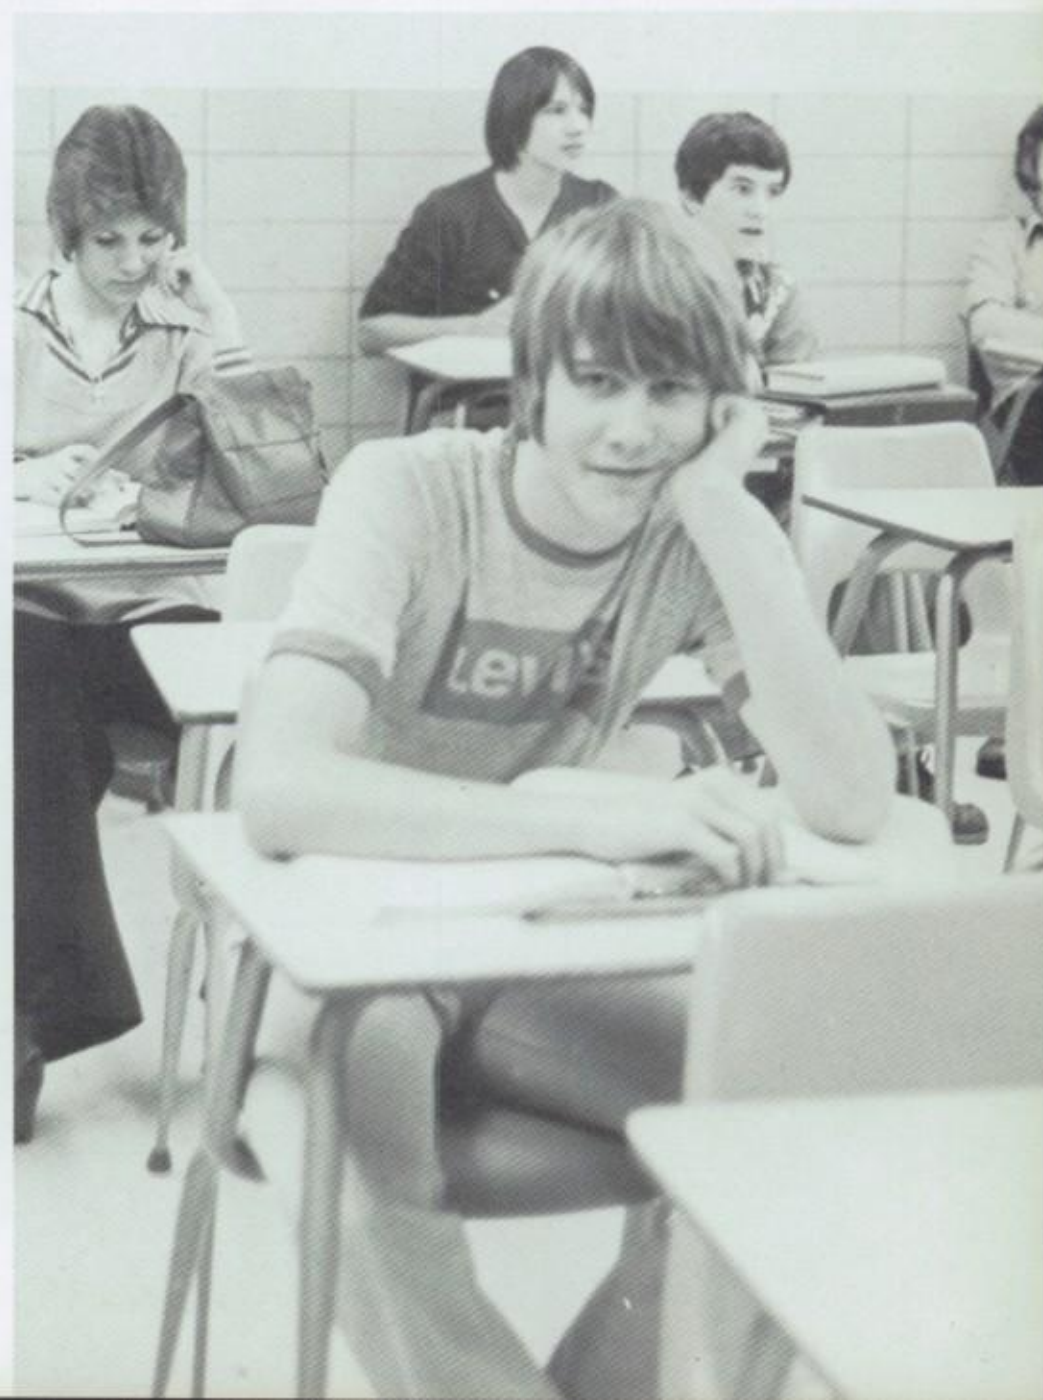

LANGUAGE

"This is a pain in the neck."

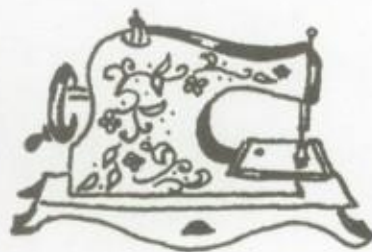

Language is a unique and fascinating course of study. Students who take Spanish, French, or Latin not only learn to speak another language but they also learn about the customs of people who speak other languages.

ART

Showcase of Masterpieces

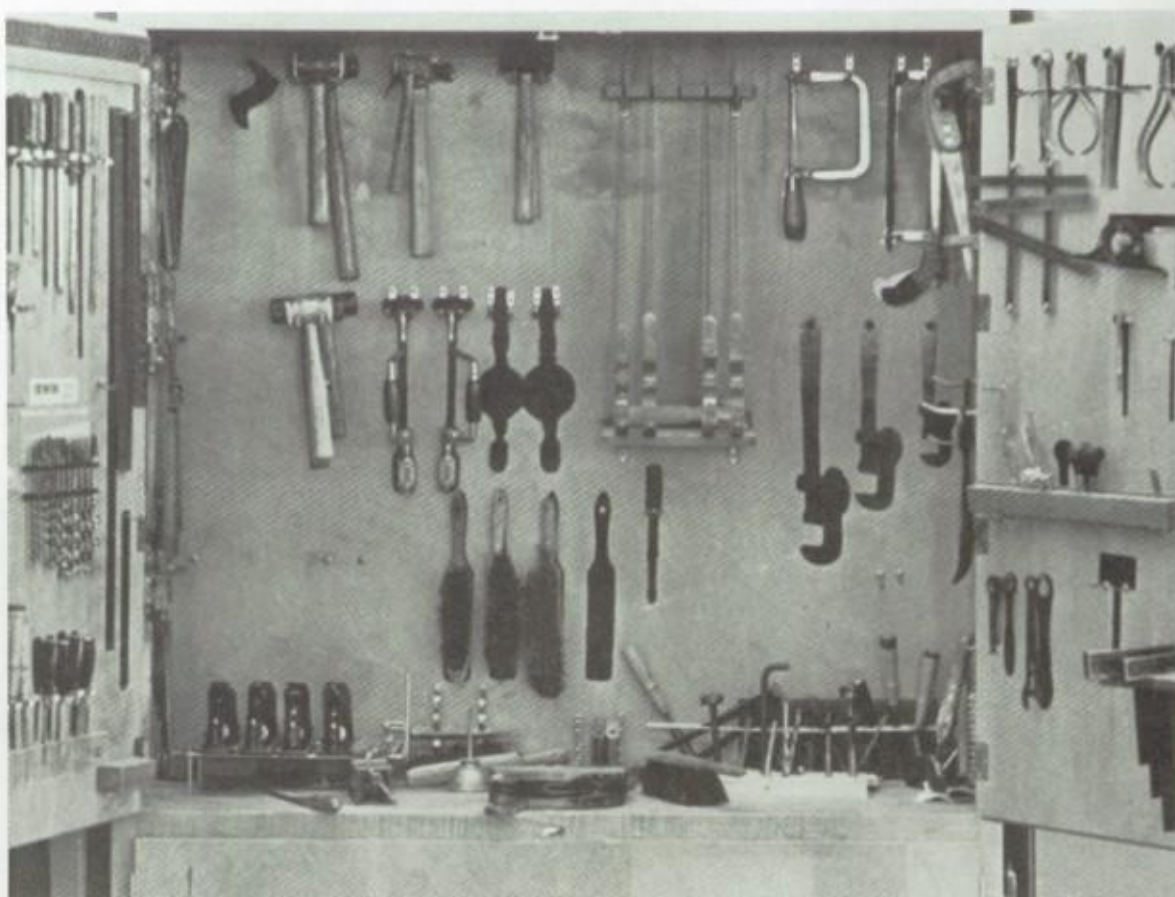

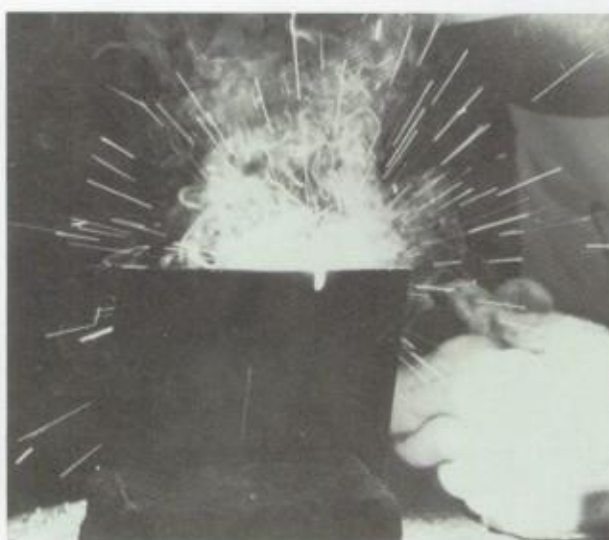

For many, art class is the best period of the day. It gives the student the chance to relax and express himself in his own way, while at the same time it produces some great artists.

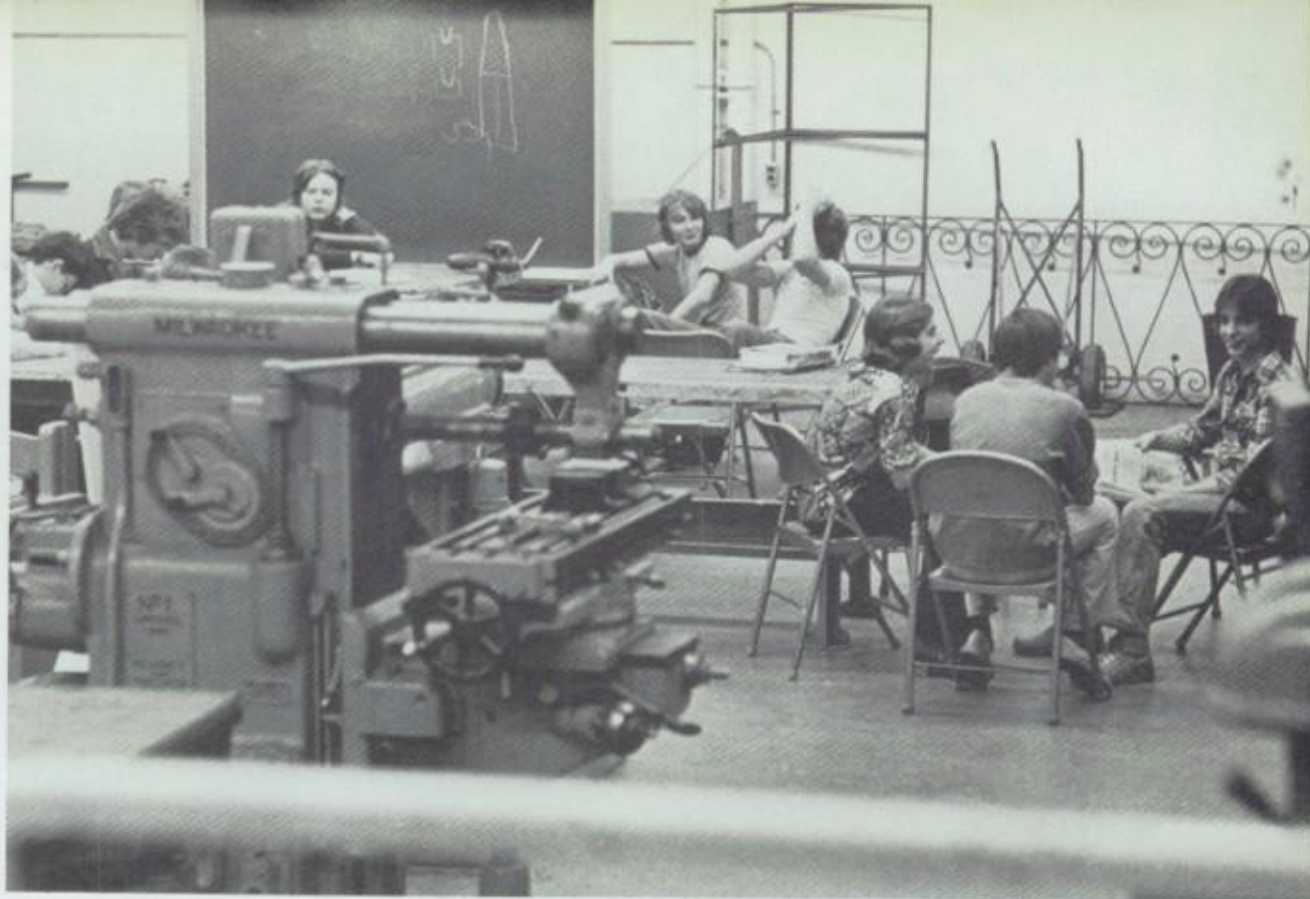

INDUSTRIAL ARTS

Industrial art students hammered, drilled, built, printed, and welded, keeping themselves busy during the school year. Even though they are hidden away in the north end of the building, the student body is aware they exist. Not only is there evidence in the beautiful work displayed in the school, but the continual NOISE of machines just won't let us forget.

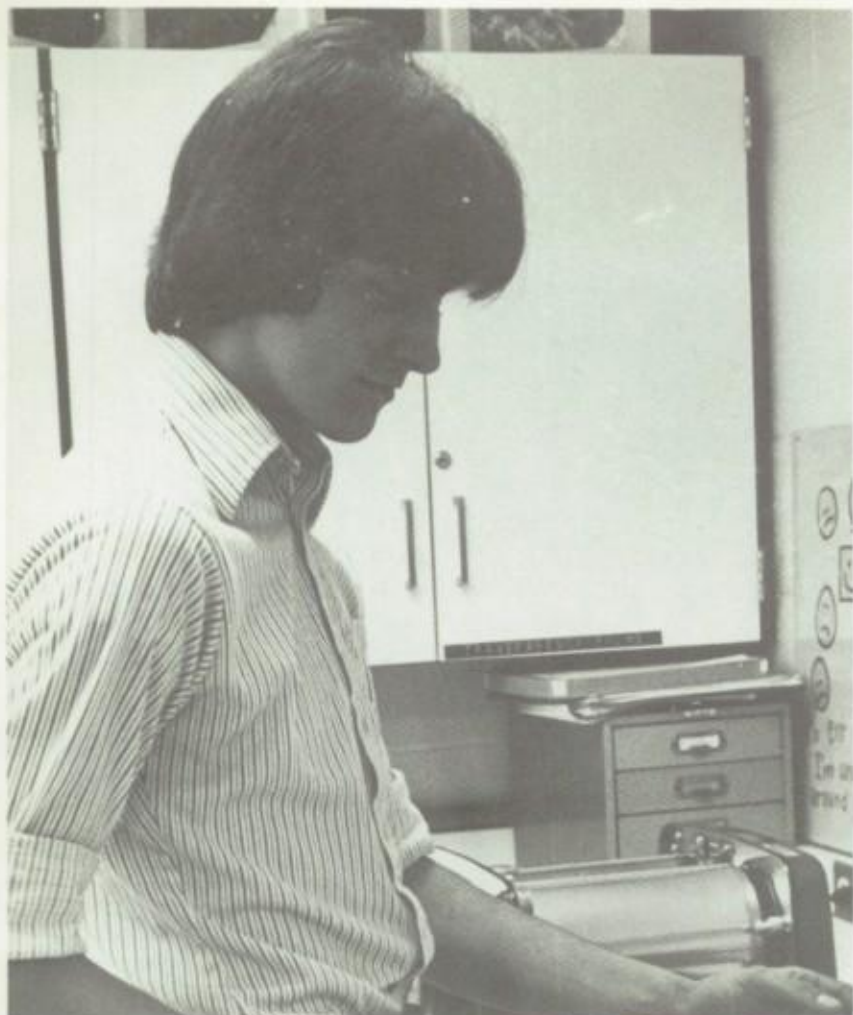

"All I needed was a pair of pliers!"

The wonderful world of Industrial Arts

"Don't bother me now, I'm filing my nails!"

The I.M.C. can be a quiet place to study or just to think.

Jim Darin and Larry Molnar explain the fine points of repairing television sets.

The Instructional Materials Center is more than just a library. Books, magazines, films, video tapes, microfilm, slides, and much more are available for classroom and student use. Students working with the adult media specialists, librarians and para-professionals, put it all together and make it happen so other students can enjoy the varied services the IMC offers.

I mean YOU'RE studying.

VOCATIONAL SCHOOL

"Look! The Brain!"

"They don't make taffy like they used to."

STUDY-STUDY

Study-Study students and coordinator.

These three programs provide alternate ways for students at Nordonia to prepare for the future while attending high school.

Vocational School - a two year program where students can learn about various occupational skills and trades.

Study-Study - an opportunity for the exceptionally motivated student to experience college.

Work-Study - an opportunity for the student to gain "on the job training."

WORK STUDY

COE

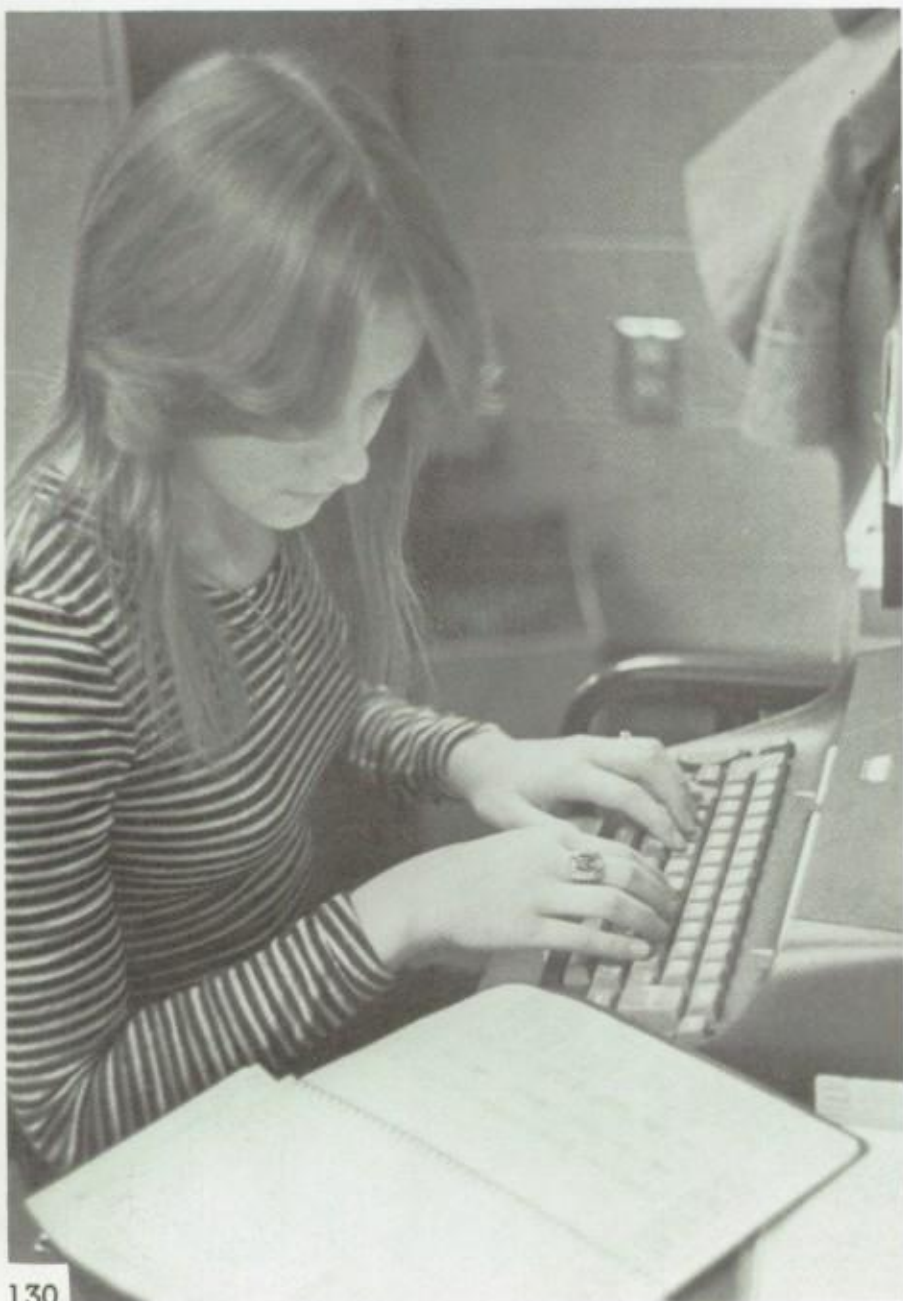

"I'll never be able to understand this."

Cooperative Office Education is a co-op type program. The COE student must be a senior and 16 years of age. A typical schedule for a COE student includes advanced typing, telephone usage, mailing, transcription, duplicating equipment, insurance, banking and many miscellaneous units. The COE students earn 4 credits toward graduation. Also included are a year-end banquet, Christmas project, newly created OOE Regional skill contests and fund raising projects.

It is the time for quiet.

"We are studying together."

"Where is my paper?"

Nordonia tried coed physical education classes for the first time. Despite the changes, all seems to be going quite well. In this class the teachers stress physical fitness, good health habits, positive social attitudes and coordination.

The Thespians are an advanced drama club. To become inducted into the Thespian society you must work at least 100 hours performing on stage or being on a back stage crew. The main goal of the Thespians is to raise money for a spring trip to New York. To raise money the Thespians show movies, like Tom Sawyer, or the Sting, sponsor a spaghetti dinner, and offer a catering service.

STUDENT COUNCIL

Student Council is always planning and working for the betterment of the school and community. The members organize dances and E.C.O., paint murals in the lobby and lounge, raise money for Saint Jude's Hospital and work with the Bloodmobile. The Student Council here at Nordonía is primarily concerned with working for the good of others.

SCIENCE CLUB

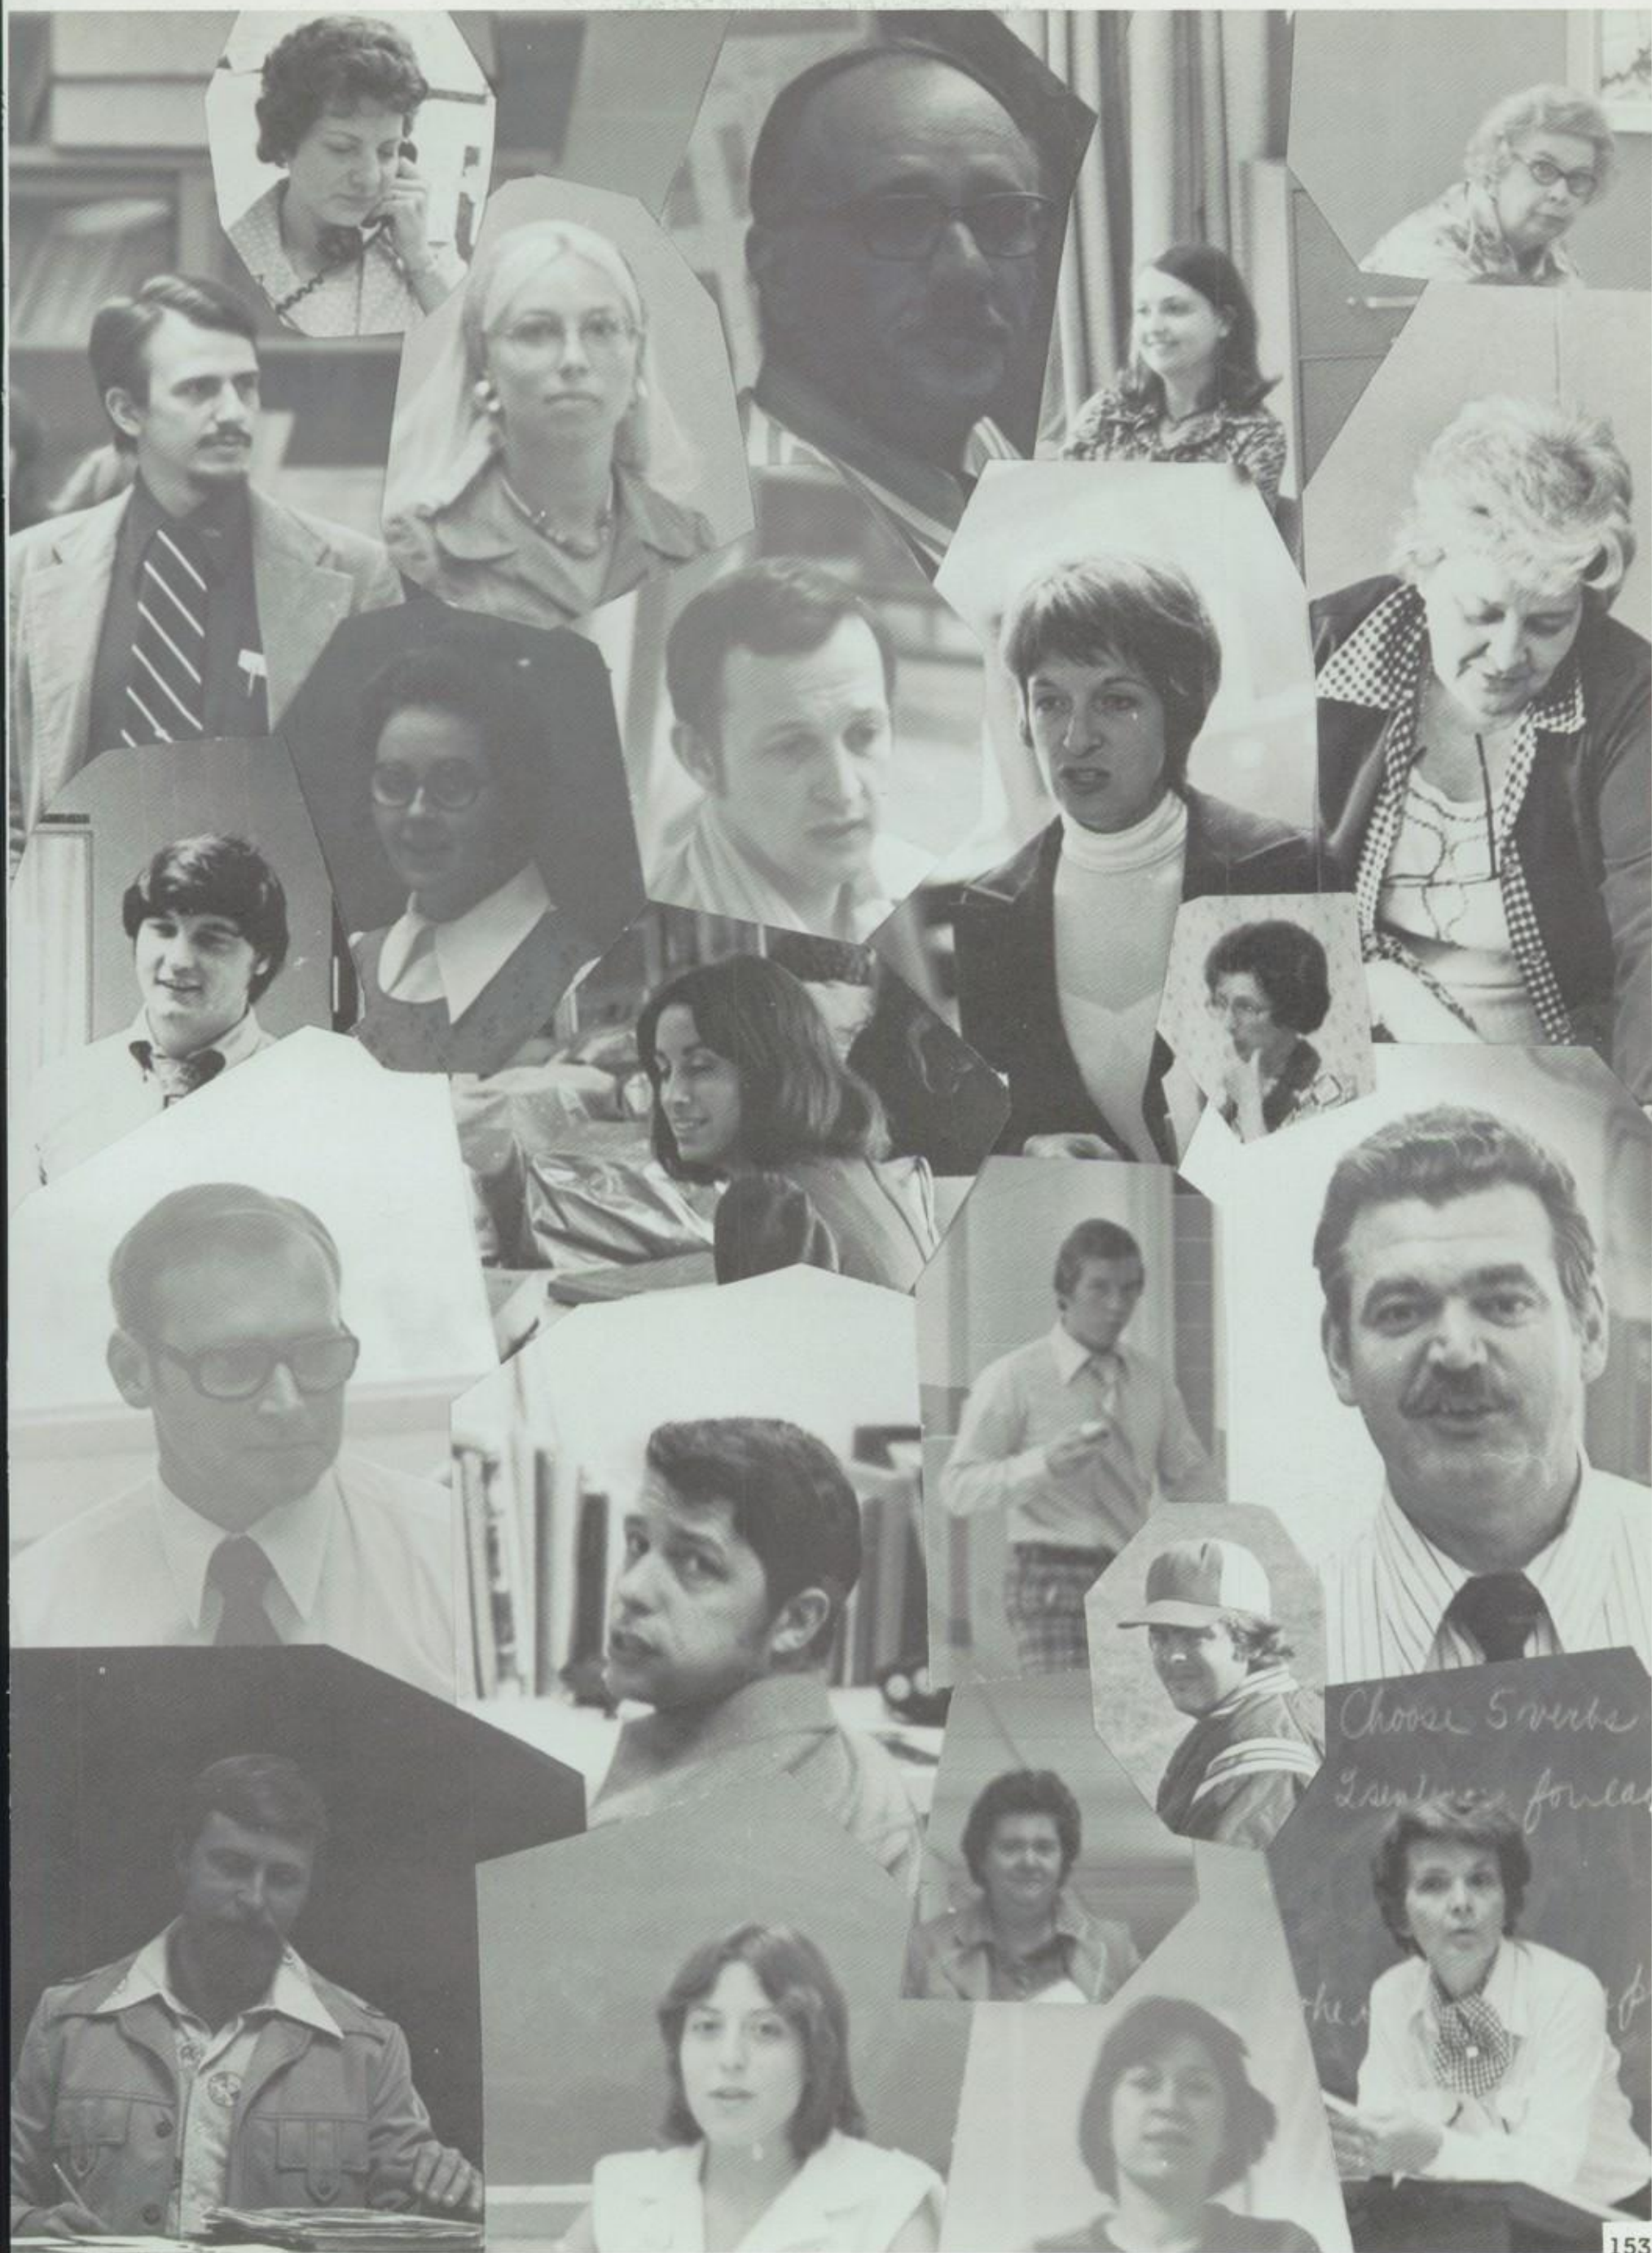

The Science Club offers students at Nordonia a chance to get an indepth view of various aspects of science. The club gives each member a chance to express his individuality in science whether his interests be blackholes, ESP, theory of relativity or any of the other interesting topics discussed at the club's meetings. The Science Club also attends lectures regularly at Warner Swasey Observatory as well as going on many other field trips.

FACULTY

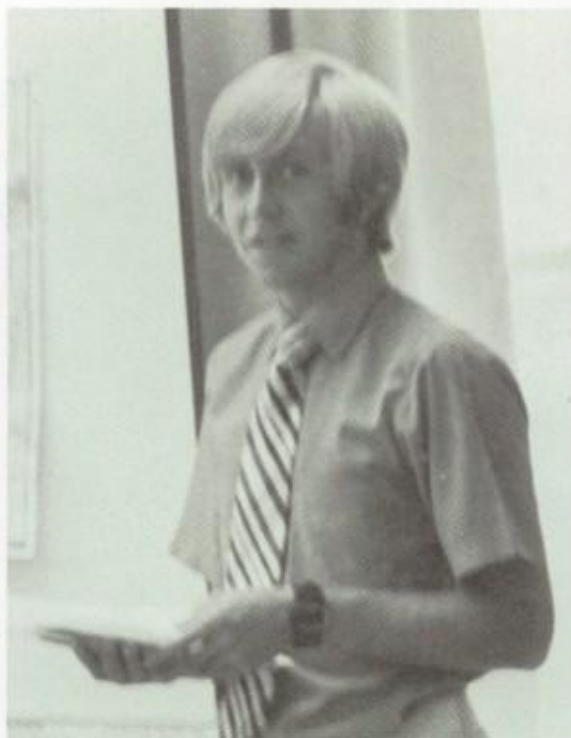

Attending meetings, coaching teams and evaluating students, a teacher has a job unlike an ordinary occupation. The people who work in offices and factories work designated shifts; but a teacher works all the time, grading papers, or preparing the next day's lessons. A teacher's work is never done.

UNDERCLASSMEN

JUNIORS

Frank Bowker, Treasurer; Kim Stanley, Vice-President; Heather Chambers, President; Pam Woodland, Secretary.

The juniors, who have attended Nordonia for 3 years, anxiously await the privileges and responsibilities of their senior year. To keep busy while it waits, the class of '78 sponsored many money-raising projects - a candy sale, a Christmas Dance, and a paper drive.

SOPHOMORES

President: Margo Scofield, Vice President: Sue Kriete, Secretary: Ellen Greenan, Treasurer: Sandy Renovetz.

Constantly teasing and taunting, sophomores are the jokers of the high school. But this behavior is only a reaction to the full year of teasing they had to put up with when they were freshmen. They struggle trying to make it through Communications and their last required year of gym. They've become more than the babes of the school and have entered the exciting life of driving, dating, and class rings.

FRESHMEN

Freshman class officers: Shiela Agouston, Scott Chesnik, Kati Hinkle.

Freshman band members on their way to lunch.

Class of '80

Freshmen come from the warm, protective walls of the junior high to suddenly find themselves in a new surrounding called "Nordia High School." The new world of high school is so different and exciting! After the first few weeks of fitting in — that is, discovering that there is no such thing as an elevator pass, or that there is no hall leading to the school swimming pool, freshmen get used to the life of being a high school student.

Freshman cheerleaders in action.

"All right, who took my instrument?"

IF

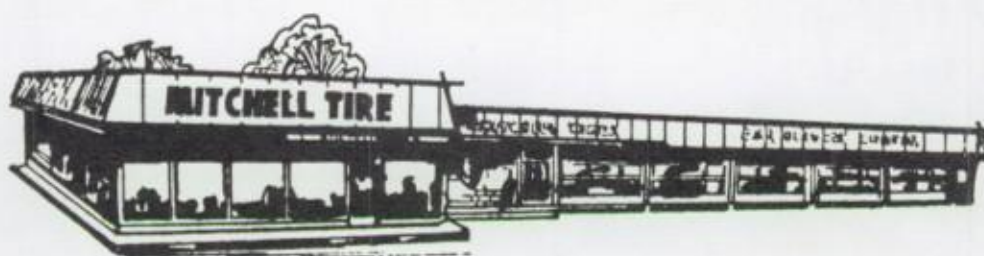

If you can keep your head when all about you
Are losing theirs and blaming it on you,
If you can trust yourself when all men, doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated, don't give way to hating
And yet don't look too good, nor talk too wise:
If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two imposters just the same.
If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!

Cropping, making layouts, alphabetizing photos and writing articles are just a few of the endless jobs that must be done to produce Nordon's newspaper and yearbook. Journalism students are constantly in motion trying to meet deadlines. They can be found anywhere in the building during fourth period trying to get a good story or candid photos.

"They better wear more than that at the beach!"

"Is my lens dirty or is that you?"

Pam Humel tapping away to meet the deadline.

The fortune teller tells me,
That I have somewhere to go.
Look and try to understand,
And wonder how she knows.
So I must be going now,
I'm losing time my friend.
Looking for a rainbow
Down this highway in the wind.

Arlo Guthrie
